Summer Reading Guidelines

- This summer we are counting minutes read.
- Logging will be done online using Beanstack. You can download the "Beanstack Tracker" app on your phone. This app is available in both the I-Tunes & Google Play stores.
- **Books, books on CD, or E-Books need to be checked out from Sims Library, on or above your reading level.**
- Tickets will be earned throughout the Summer when you hit specific milestones (1 hr., 5hr., etc.)
- Once you earn a ticket, you can then place it in the drawing of your choosing.
- There will be 4 prize-bundle drawings to choose from: Gaming, Anime, Book Lover, and Art.
- You can place all of your tickets in one bundle, or spread them out for a chance to win different bundles.
- Winners will be announced the first week in August.
